“With ethical adventures you are not a tourist. You are our partner in fun, adventure and discovery.”

Comfort, relaxed pace, quality, safety & authenticity. These are the foundations. ‘Colours of Kakadu’ is the premium all-inclusive Kakadu indigenous experience. Focusing on aboriginal people, art and environmental interaction. With a max. 6 guests and hosted by dedicated local professionals.

ITINERARY

Over 2 full days you will explore the Top Ends iconic Kakadu National Park on water, by land and in the air. Moving through a multitude of environments, discovering the unique natural gems of Kakadu and learning of both past and present endeavors of the first Australians in the region. You will be met by indigenous locals on key inclusions who along with your ethical adventures host

will guide you through the ages.

DAY 1

Your journey begins with sunrise on culturally significant Fogg Dam where a myriad of wildlife reminds us of how nature is supposed to be. Your education in traditional foods and crafts starts here also backed up by our homemade breakfast options. Moving on to Kakadu we visit Bowali centre and then join a light aircraft scenic flight along the majestic Arnhem Land escarpment. This is the only way to fully appreciate the scale, ruggedness and isolation of a region indigenous people have called home for over 60,000 years. An aboriginal culture cruise down the crocodile haven of East Alligator River later in the day adds both culture and adrenaline with sunset nibbles overlooking the floodplains Nadab lookout is a wrap.

Day 2

Enjoy sunrise on the award winning 2 hour Yellow Waters wildlife cruise before stepping into the comprehensive Warradjan Aboriginal culture centre for further indigenous insights. This is the perfect buildup for a private guided walk later in the day amongst the ancient rock art of Nourlangie by a traditional custodian of the stories. Our journey comes to an end when the last question is asked and our indigenous guide calls it a day.

Back in Darwin by 6pm.
